

# 21" Steel Kamado Grill Assembly Manual

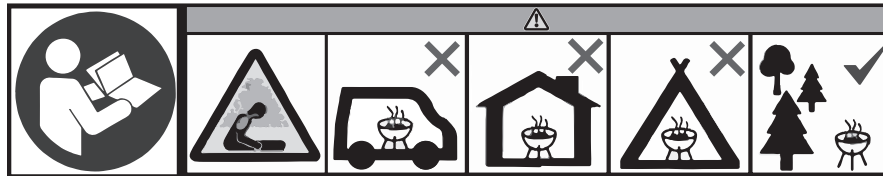

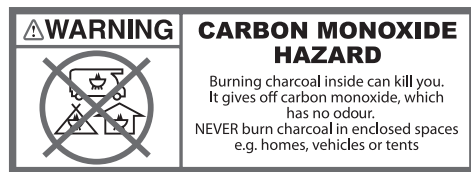

## User Instructions

Please keep for  
future reference

We hope you are happy with your grill. In case of any problems please contact us and we will do our best to put it right.

# WARNING: FOR OUTDOOR USE ONLY

Keep these instructions for future reference

Before using this product, make sure you have read and understood all the information and instructions provided. Failure to follow information could result in property damage, serious injury or death. Improper installation, adjustments or alterations can cause injury and property damage.

## Important Safeguards:

1. This product is for outdoor use only. Do not use indoors or in any enclosed areas such as garages. Toxic fumes from Carbon Monoxide can accumulate and cause Carbon Monoxide poisoning.
2. This product is not for commercial use.
3. This product should only be used by adults and all children and pets should be kept at a safe distance at all times.
4. Do not use petrol, white spirit, alcohol or other similar chemicals to light a fire. Alternatively, you can use Bar-Be-Quick lighting agents.
5. Ensure product is completely assembled and all parts are securely fastened and tightened before use.
6. Do not use this product on decking or any other flammable surface such as dry grass, wood chips and leaves.
7. Please wait until charcoal is completely cooled, dried and extinguished before emptying and storing away.
8. Do not touch, handle or move this product until it is completely cooled unless you are wearing heat resistant gloves as it is hot when in use.
9. Always use a safety tool and heat resistant gloves when adding fuel.
10. Do not leave a burning fire unattended.
11. Fire Hazard – hot embers may emit whilst in use.
12. Do not overload this product with fuel. Maximum capacity: 2.5kg.
13. Do not add additional fuel until the fire burns down.
14. Do not burn fuel directly on the fire bowl base. Please use charcoal plate.
15. Always fully inspect this product before use.
16. A slight discolouration of finish may occur after use.

## **SAFETY INFORMATION**

**Warning!** This product will become very hot, do not move when in use.

Do not use indoors.

**Warning!** Do not use spirit or petrol for lighting or re-lighting. Use firelighters only.

**Warning!** Keep children and pets away.

**Warning!** Do not use product in confined and/or habitable spaces e.g., houses, tents, caravans, motor homes, boats and woodland. Danger of Carbon Monoxide poisoning which could lead to fatalities.

1. Ensure this product is positioned on a permanent flat, level, heat resistant, non-flammable surface away from flammable items.

### **Tending the Fire**

1. Add fuel to increase the heat slowly when embers glow.  
Do not overload with fuel.
2. When moving charcoal, use a safety tool to allow for additional airflow.

### **Extinguishing**

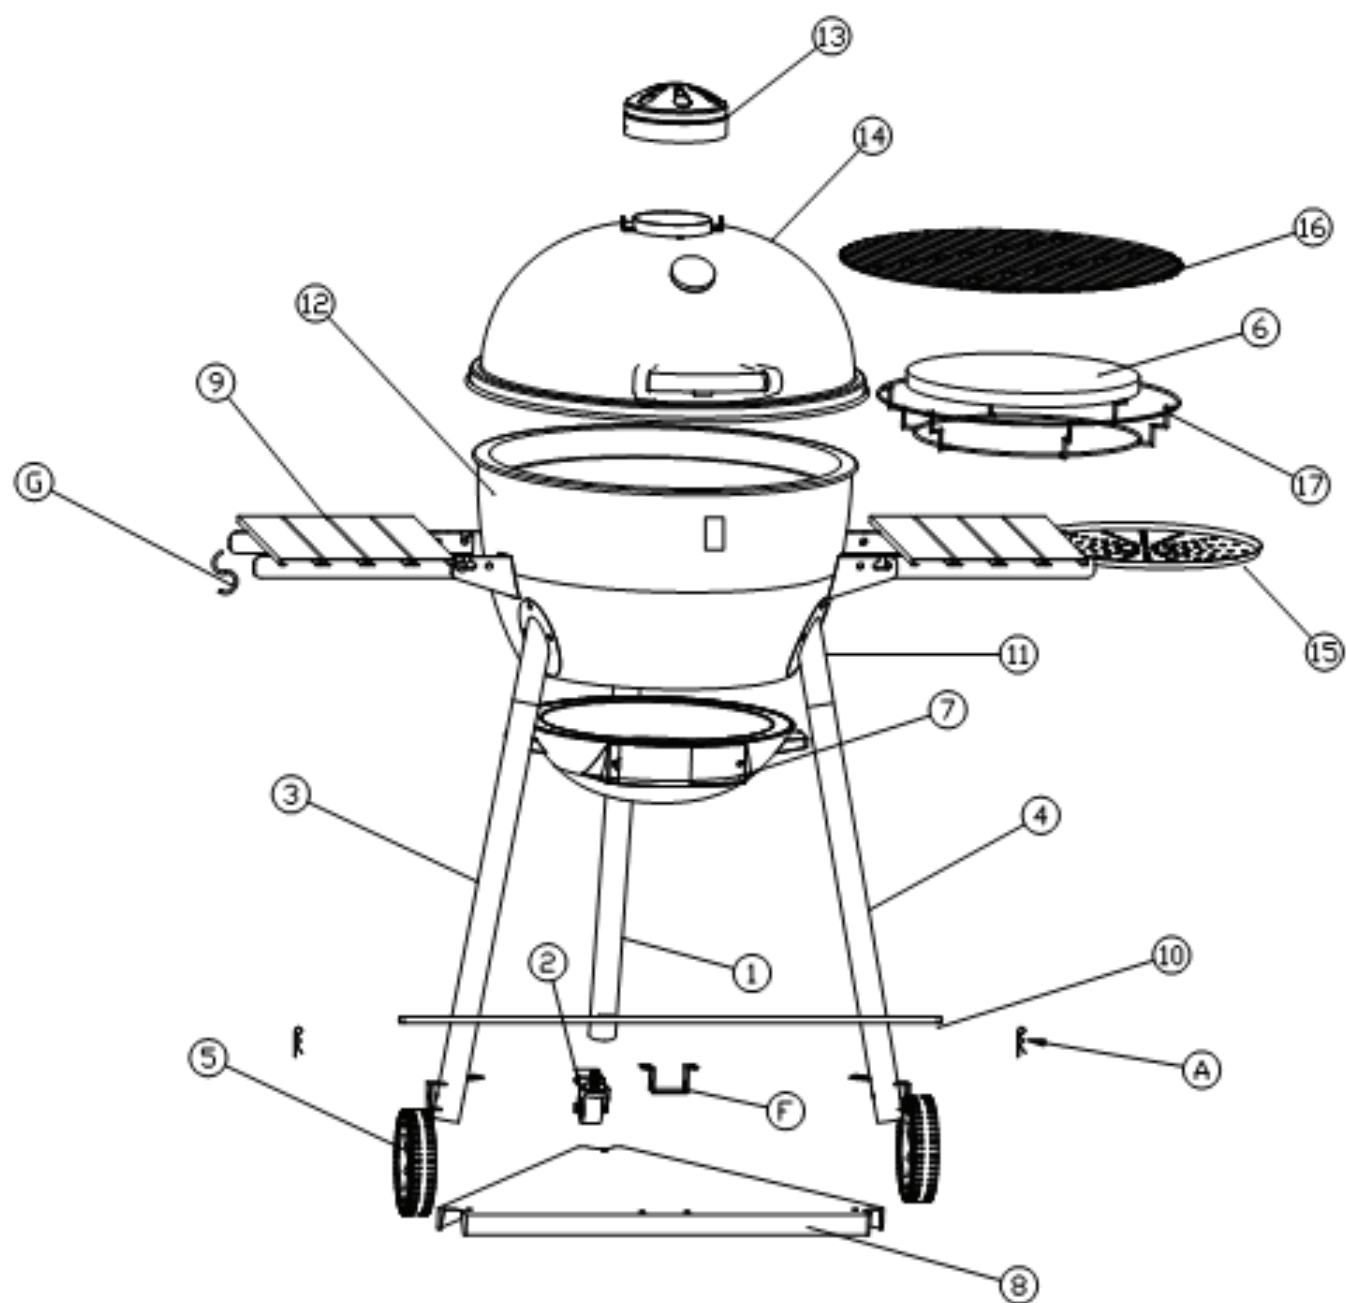

To extinguish this product, stop adding fuel and allow fire to die down.

Do not use water as this may damage this product.

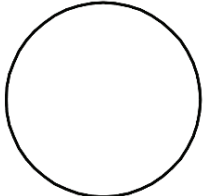

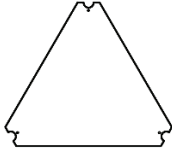

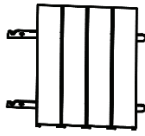

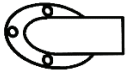

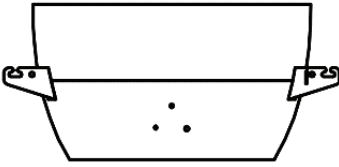

### **Care and Inspecting**

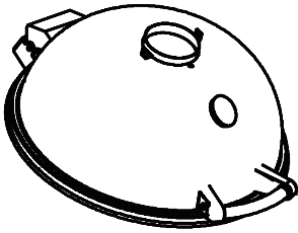

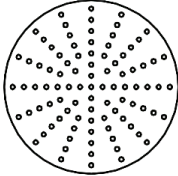

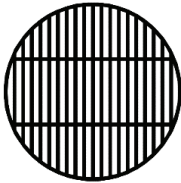

1. This product should be inspected on a regular basis to ensure product safety and longer product life.
2. This product should be cleaned after use to ensure longer product life. Do not use abrasive cleaner as it will damage this product.
3. When not in use, cover this product once completely cooled. This will help protect it from adverse weather.
4. Store this product in a dry location to maximise product life.
5. The surface of this product will age, discolour and develop surface rust after use. This is to be expected but it does not affect use and is not a product fault.

## Spare Parts

No	Description	Drawing	Quantity
1	Front Leg		1
2	Universal Wheel		1
3	Left Leg		1
4	Right Leg		1
5	Wheels		2
6	Pizza Stone		1
7	Ash Tray		1
8	Bottom Frame		1
9	Side Table		2
10	Axle		1
11	Legs Fix tray		3
12	Fire Bowl		1

13	Ventilation Cap		1
14	Bowl Lid		1
15	Charcoal Plate		1
16	Stainless/Steel Cooking Grill		1
17	Pizza Stone Tray		1

## Spare Parts -2

No	Description	Drawing	Quantity
A	Bolt		2
B	Screw M6x20		18
C	Screw M6x45		3
D	Nut M6		6
E	Screw M4x8		2
F	Bottom Frame fixer		1
G	Hook		8

## Assembly Steps

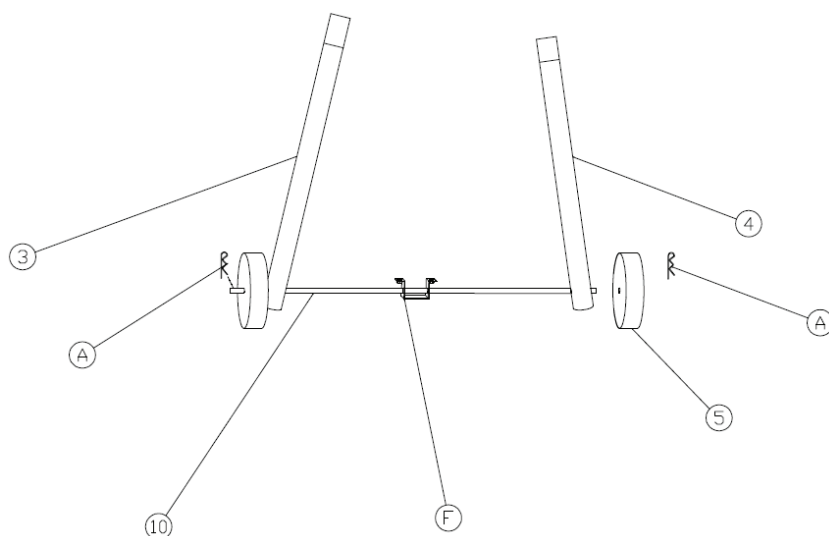

### Step 1

Assemble the Universal Wheel(2) to the front leg(1).

### Step 2

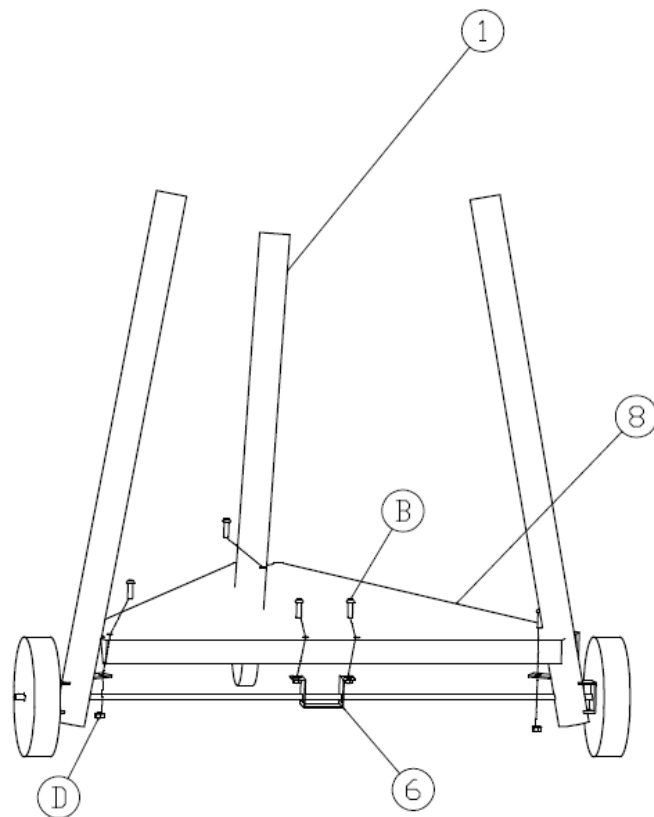

Across the wheel(5)-right leg(4)-Bottom Frame fixer(F)-left leg(3)-wheel(5) through the axel(10) ordinal, than fix the 2 wheels with the bolt(A).

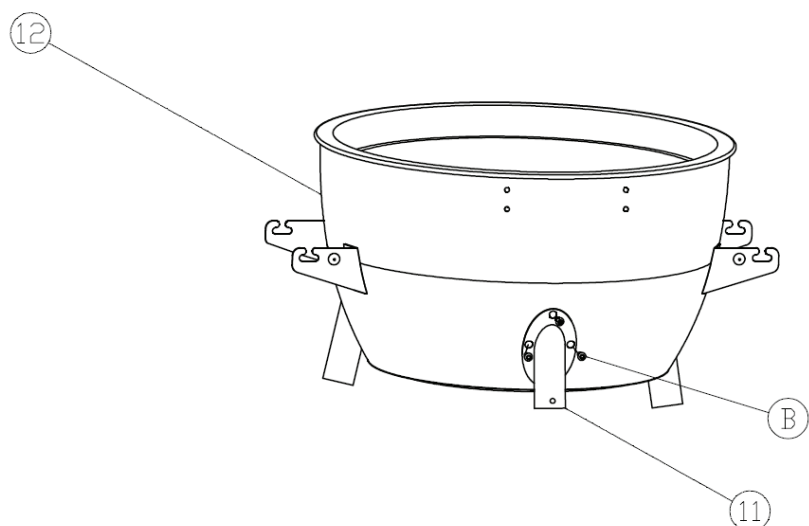

**Step 3**

Assemble the bottom frame(8) to the 3pcs legs with Screw M6x20(B) and Nut M6(D).

Fix the bottom frame(8) and Bottom Frame fixer(6) with Screw M6x20(B)

**Step 4**

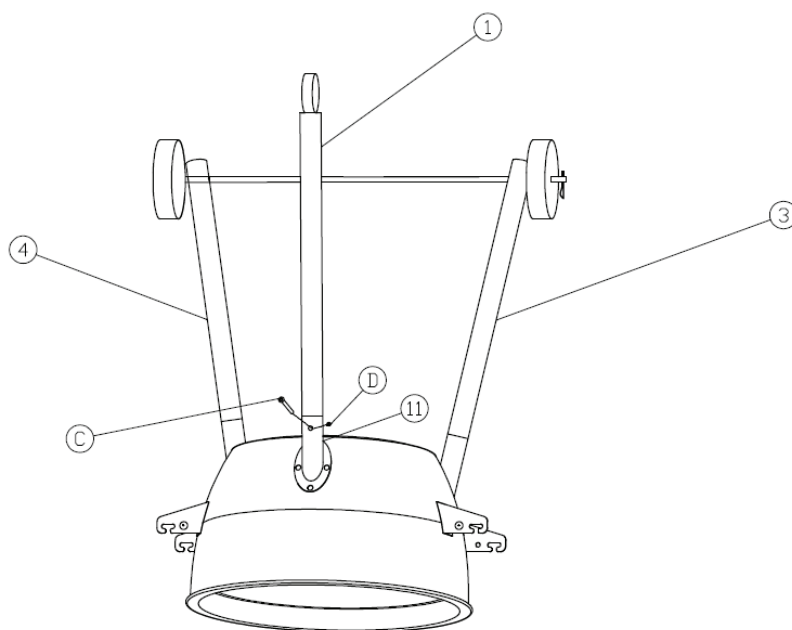

Assemble the Legs Fix tray(11) to the fire bowl(12) with Screw M6x20(B)

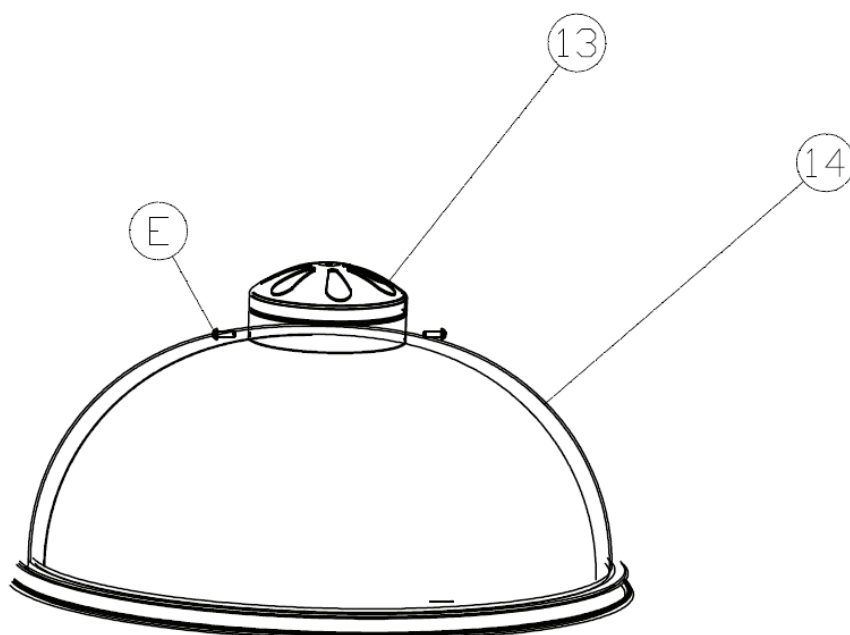

**Step 5**

Insert the front leg(1)-Left leg(3)-right leg(4) into the Legs Fix tray(11), than fix them with Screw M6x45(C) and Nut M6(D).

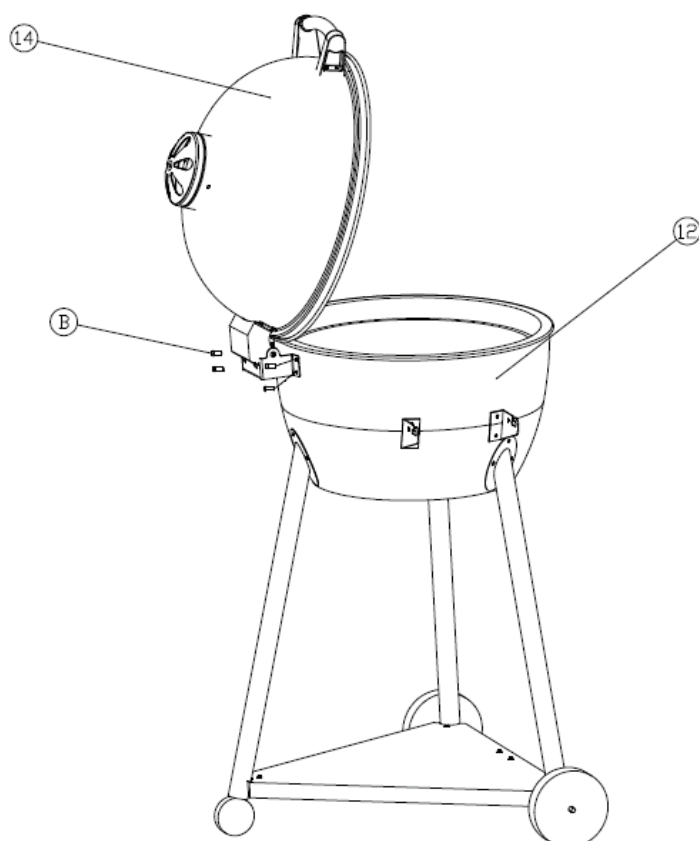

**Step 6**

Assemble the Ventilation Cap(13) to the Bowl Lid(14) with Screw M4x8(E).

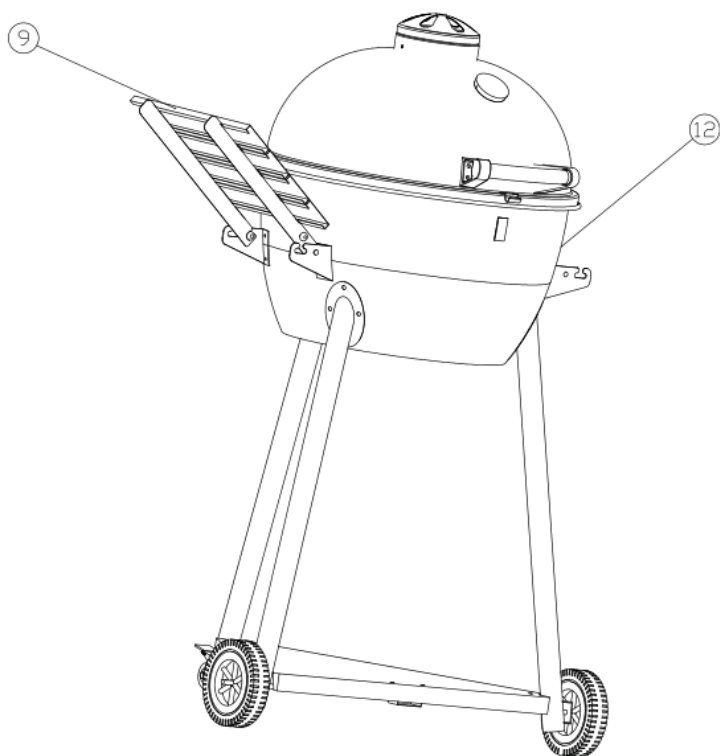

**Step 7**

Assemble the connected bowl lid(14) to the fire bowl stand with Screw M6x20(B).

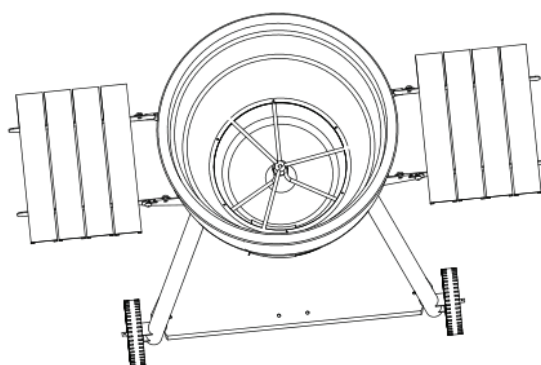

**Step 8**

Insert the side table(9) to the fire bowl(12).

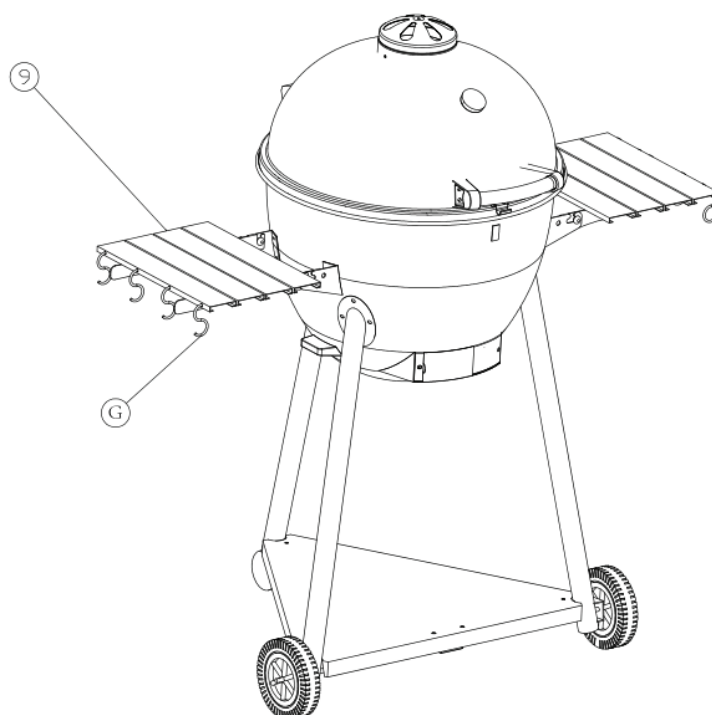

**Step 9**

Plug the Ash Tray(7) into the fire bowl(12) shown as the drawing
